No.	Order	Family	Species																	
1	Struthioniformes	Apterygidae	Apteryx owenii							2										
2	Procellariiformes	Procellariidae	Puffinus carneipes							1										
3	Procellariiformes	Procellariidae	Puffinus bulleri							10	10									
4	Procellariiformes	Procellariidae	Puffinus gavia							5	5									
5	Procellariiformes	Pelecanoididae	Pelecanoides urinatrix							4	1									
6	Sphenisciformes	Spheniscidae	Eudyptula minor							2										
7	Pelecaniformes	Sulidae	Morus serrator (= Sula s.)				5	5	5	5			300							
8	Pelecaniformes	Phalacrocoracidae	Phalacrocorax carbo				1	1				10								5
9	Pelecaniformes	Phalacrocoracidae	Phalacrocorax varius				2	1	15	3	15	10	5							
10	Pelecaniformes	Phalacrocoracidae	Phalacrocorax melanoleucos							1		5		1		10				5
11	Ciconiiformes	Ardeidae	Ardea novaehollandiae (= Egretta n.)		1		5	5				5		3						
12	Ciconiiformes	Threskiornithidae	Platalea regia									1								
13	Anseriformes	Anatidae	Cygnus atratus	*												10	2ad+4juv			
14	Anseriformes	Anatidae	Anser anser	*												20				
15	Anseriformes	Anatidae	Tadorna variegata				56	56												
16	Anseriformes	Anatidae	Anas platyrhynchos	*	5		2	2						x10		x10	10			
17	Anseriformes	Anatidae	Anas superciliosa						1					2			2			
18	Anseriformes	Anatidae	Anas aucklandica							3	3									
19	Anseriformes	Anatidae	Anas rhynchos														2			
20	Anseriformes	Anatidae	Aythya novaeseelandiae													x100				
21	Falconiformes	Accipitridae	Circus approximans				2	2				5	1			2				2
22	Galliformes	Odontophoridae	Callipepla californica	*			2ad+3juv													
23	Galliformes	Phasianidae	Coturnix ypsilophora (= Synoicus ypsilophorus)	*						5	5									
24	Galliformes	Phasianidae	Phasianus colchicus	*			1	1												
25	Galliformes	Meleagridae	Meleagris gallopavo	*			20	20												
26	Gruiformes	Rallidae	Gallirallus philippensis (= Rallus p.)													1				
27	Gruiformes	Rallidae	Porphyrio porphyrio		1		50	50								2				
28	Gruiformes	Rallidae	Porphyrio mantelli							20	20									
29	Gruiformes	Rallidae	Fulica atra														5			
30	Charadriiformes	Haematopodidae	Haematopus ostralegus									1000+		x100						
31	Charadriiformes	Haematopodidae	Haematopus unicolor				5	1	1	1				2						
32	Charadriiformes	Recurvirostridae	Himantopus himantopus leucocephalus				2	2				300		x10			3			
33	Charadriiformes	Charadriidae	Charadrius bicinctus									10		100						
34	Charadriiformes	Charadriidae	Anarhynchus frontalis									1000+		x100						
35	Charadriiformes	Charadriidae	Pluvialis fulva									86		113						
36	Charadriiformes	Charadriidae	Vanellus miles				10	10		2	2									3
37	Charadriiformes	Scolopacidae	Arenaria interpres									5								
38	Charadriiformes	Scolopacidae	Calidris canutus									1000+		1000+						
39	Charadriiformes	Scolopacidae	Calidris acuminata									1		2						
40	Charadriiformes	Scolopacidae	Calidris ruficollis									1								
41	Charadriiformes	Scolopacidae	Limosa lapponica									1000+		1000+
